

## NEW! 2017 Customer Favorites Spring Reorder Program

It will be time to reorder before we know it. As you get busier and busier in your garden center, we have developed a collection of best selling varieties to help with this task.

Based on our 32 years of experience, we have chosen a specific selection of varieties that historically sell very strongly in spring for both Renee's Garden and Cornucopia customers.

Please review and let us know via email, phone or fax or if you would like us to ship this assortment so you do not miss out on any sales. Of course, your additions or modifications are always welcome. Your regular sales terms will apply to this shipment.
